Introduction to Christian Counseling and Counseling Psychology Dr. Pearlie Braswell-Tripp, 2011-10-21 My name is Dr Pearlie Braswell Tripp Ph D I do not claim to be an expert in religion psychology or counseling but experience has taught me a lot about all three 2 Timothy 2 15 says study to show thyself approved unto God a workman that needeth not be ashamed rightly dividing the Word of truth I was born in 1943 in Rocky Mount North Carolina into a Christian family My family was attending the Rock of Ages Holiness Church My mother Sister Mary Jones Braswell played the guitar my sister Christine Braswell played the piano and the rest of the family sang There were seven of us girls My sisters Frances Christine Doretha Verna Margaree and Mary Lee were older We were known as the Braswell sisters My father was Lee Braswell the most handsome man in town I will never forget the great times we had in Rocky Mount nor will I forget the great Rock of Ages Holiness Church Our church was two blocks away from our home That meant we had no real reason not to go Many of my other relatives attended Rock of Ages also My mother s parents attended and so did her brother and his family Those were what we now call The good ole days I really loved those days We traveled around singing the

Hesselgrave,2002-01-08 Christians are being called upon increasingly to care counsel and cure across cultural boundaries writes the author Of course foreign missionaries counsel people from other cultures but so do many pastors particularly those in urban settings Because Christian counseling theory presupposes that counselor and counselee share the same culture the insights of this discipline must be brought together meaningfully with the cross cultural perspectives of missiology Counseling Cross Culturally pioneers this new field After surveying approaches to counseling in the West and those in the non Western world the author develops a theory of Christian cross cultural counseling The final part consistent with the author s broad view of counseling discusses counseling concerned with the well being of people Christian conversion spiritual growth and development of a Christian life style and Christian service Numerous case studies drawn from a variety of cultures provide realistic examples of the questions that counselors will encounter A psychologist who trains Christian workers for cross cultural service describes this book as a helpful thoughtful study of complex issues surrounding counseling It is extremely valuable to expose any missionary candidate to this type of book It broadens awareness to cross cultural issues and touches on common problems of missionary counselors Counseling Cross Culturally is an admirable attempt to integrate a conservative evangelical theology with the complexities of culture and life
