Learner's Korean-English Dictionary

Finally, here is the dictionary that learners have been waiting for! One that specifically answers the needs of English speakers who are studying Korean.

Designed for learners who are at elementary to intermediate level, it contains over 3,000 Korean headwords, including the most essential contemporary words, commonly used example phrases, and business and technical terms.

Along with refreshingly clear English definitions, the entries are packed with helpful extra details that make learning easier.

- 3,033 example sentences given in Hangeul, romanization, and English.
- English-Korean Word Finder allows two-directional use.
- Explanations of common idiomatic expressions.
- Special notes to clarify differences and distinctions that can be challenging for English speakers.
- Romanization is included for all terms and examples, to assist learners.
- Extensive notes on grammar and meaning enhance understanding.
- Especially high-frequency words are marked.
- Endings and particles—very important components of Korean, but often overlooked in reference materials—are clearly indicated and explained.

This dictionary presents, with care and expertise, all the words that are most essential for learners to know.

Kyuhyung Park works in the field of information technology, and has also been an editor at an educational publishing company focusing on language practice books for Koreans learning English. His expertise in the differing learning techniques for these two languages results in an especially effective approach. He is the author of *100 Basic Korean Verbs* (Tuttle Publishing) and several language books published in Korean, and he is the translator of *Korean for Beginners* (Tuttle Publishing). He lives in Seoul.
