

Community roundtable and report back: Activating and mobilizing community women to address Gender-Based Violence (GBV)

SAWIS has been organizing focus groups, workshops, and service activities to address GBV in the community since 2008. Our experiences especially during the COVID-19 pandemic reveal the need to highlight community women's voices to develop equitable and intersectional policies, programs, and services to meet our needs.

SAWIS is hosting an event to share community experiences and perspectives with activists, advocacy and other organizations.
