

# 8 Human Resources Administration Best Practices

## Use standardization to reduce errors

Create and follow checklists and SOPs to maintain efficient workflows, reduce mistakes, and guide new starters or stand-ins taking over HR admin tasks.

## Automate repeatable tasks

Use technology to automate workflows and templates to help save time, so you can focus on more important tasks.

## Validate data with routine audits

Validate data like names, SSNs, dependents, and deductions in routine audits to help you prevent payroll and benefits issues.

## Secure data in line with privacy laws

Use access controls, encrypt data, and follow data management and retention policies to maintain compliance, and protect staff privacy.

**80%**

The right software tools can reduce onboarding time by up to 80%, while the right payroll platform can save 120 hours in admin work each month.\*  
\*Per month

## Communicate clearly with employees

Use clear, plain language, offer timelines, and provide clear instructions on next steps for different employees and departments.

## Train backups and cross-train

Train backups and cross-train other HR staff to cover administrative tasks, lower single-point risk and ensure business continuity.

## Measure KPIs

Measure important metrics (e.g., employee ticket response time) to show how effective your current systems are and determine necessary improvements.

## Document everything

From change logs to approvals to incident reports, comprehensively document everything to ensure accurate records for decisions and audits.
