

			<p>Cross-functional teams are not without disadvantages. The team can take significantly longer to develop cohesion because members come from different experiences and backgrounds. Moreover, a team leader must take care managing team relationships carefully because there may be a high level of conflict in these teams due to not only rivalry, ego, and position conflict between the various parts of the organization represented by team members. For example, the employees in operations may be keen to purchase the latest piece of technology while the accountants on the team probably wish to minimize costs – conflicting interests need to be managed carefully.</p>
Democratic leadership style	22	<p>A leadership style where:</p> <ul style="list-style-type: none"> Participation is encouraged Two-way communication is used, which allows feedback from staff Employees are given information about the business to allow full staff involvement 	<p>A likely question that may be asked is to distinguish between the two leadership styles. No evaluation is required here, just clear definitions, examples and application to the staff will be enough for full marks.</p> <p>If this is the focus of the question, the IB, and IB papers in IB (especially IB Business Management) tend to focus on the strengths of the democratic leadership style. The IB Business Management course is designed to help students understand the importance of employee involvement and participation in the workplace. The IB Business Management course is designed to help students understand the importance of employee involvement and participation in the workplace.</p> <p>The IB Business Management course is designed to help students understand the importance of employee involvement and participation in the workplace. The IB Business Management course is designed to help students understand the importance of employee involvement and participation in the workplace.</p>
Participative leadership style	23	<p>A leadership approach that involves a dominant authority figure who consults or involves staff in the decision-making process. This style is often used in organizations where employees have a high level of expertise and are motivated by autonomy and responsibility.</p>	<p>Participative leadership style is a style of leadership that involves a dominant authority figure who consults or involves staff in the decision-making process.
