Night chapters 1 and 2

In chapters 1 and 2, a number of significant things happen to Elie Wiesel and the other Jews of Sighet. As you read this section, look for important events and for how people respond to them. List some key events in the Event column. In the Response column identify how Wiesel and the other Sighet Jews respond. In the third column, write what happens next in the story. Discuss whether or not the villagers' responses to events influenced, at least in part, events that followed.

Event	Response	What happens next
Moché the Beadle is deported because he is a foreign Jew.	The people act like it is not really a big deal and say that it is just war. They believed that the people that were deported were safe. Moishe the Beadle acted as a mentor for Elie.	Moché returns from being deported after he had been injured in his leg and was left to die, and he tells the people the horrors of what is truly happening. However, no one including Elie believes his story.
The German soldiers arrive on Elie's streets.	The people were not worried at this point in time, some even found some of the soldiers charming.	On the seventh day of Passover the German soldiers had arrested all of the Jewish leaders in Elie's community. After this the violence would not stop.
Two ghettos were formed in Sighet.	The people were not concerned with this and went on with their lives.	A small Jewish Republic was formed, which gave the people some reassurance.
Elie's father was called to a council meeting and found at that departures would start the next day. He had heard rumors that they would be taken to Hungary.	They were shocked with the news but were able to take it in. They became concerned.	Elie went to one of his father's friend's house to tell the head of the house the news.
The Hungarian police arrived and told them it was time to leave. People filled the streets along with their belongings. By ten am they were outside and by 1 pm it was time to leave.	The people were actually joyful and wanted to leave. (anything was better than standing in that heat)	They were coming close to the gate of the ghetto, where they would wait for transport.
