the day the incidents and personages of contemporary Athenian city life playing freely over the surface of things familiar to the audience and naturally provoking their interest and rousing their prejudices dealing with contemporary local gossip contemporary art and literature and above all contemporary politics domestic and foreign All this farrago of miscellaneous subjects is treated in a frank uncompromising spirit of criticism and satire a spirit of broad fun side splitting laughter and reckless high spirits Whatever lends itself to ridicule is instantly seized upon odd eccentric and degraded personalities are caricatured social foibles and vices pilloried pomposity and sententiousness in the verses of the poets particularly the tragedians and most particularly in Euripides the pet aversion and constant butt of Aristophanes satire are parodied All is fish that comes to the Comic dramatists net anything that will raise a laugh is fair game It is difficult to compare the Aristophanic Comedy to any one form of modern literature dramatic or other It perhaps most resembles what we now call burlesque but it had also very much in it of broad farce and comic opera and something also in the hits at the fashions and follies of the day with which it abounded of the modern pantomime But it was something more and more important to the Athenian public than any or all of these could have been Almost always more or less political and sometimes intensely personal and always with some purpose more or less important underlying its wildest vagaries and coarsest buffooneries it supplied the place of the political journal the literary review the popular caricature and the party pamphlet of our own times It combined the attractions and influence of all these for its grotesque masks and elaborate spectacle addressed the eye as strongly as the author s keenest witticisms did the ear of his audience

Scheuer,2023-07-25 In this book Bla enka Scheuer explores the zoomorphic content of Zibburta bee wasp and Karku ta weasel demeaning names given by R Na man of b Meg 14b to Deborah and Huldah two distinguished prophets of the Hebrew Bible Looking closely at relevant texts she explores ancient beliefs about bees wasps and weasels recounting a variety of key literary and visual motifs that highlight the different attributes of these animals Scheuer demonstrates the multiple ways in which zoomorphic images were used as interpretative keys both in the formation of Deborah and Huldah stories in the Hebrew Bible and in their subsequent versions In a constant process of interaction with their cultural contexts such zoomorphism represents an attempt to define the rabbinic beliefs about the role of women in Jewish tradition but also about the nature of God Scheuer argues that the symbolic association of bees and weasels with asexual conception and birth also made the zoomorphic slurs about Deborah and Huldah effective as an argument against the doctrine of virgin birth in early Christianity Emphasizing the foundational process of constant negotiation of traditions and textual interpretations Scheuer exposes the culturally rich and religiously competitive world in which the biblical texts were transmitted
