Exam Info

Psychology Exam Date: May 19th, 11am PST

2 FRQs: 25 mins for Q1 (concept application), 15 mins for Q2 (research methods)

Eligible Units: 1-7

Writing FRQs

*Carefully read the prompt prior to answering. Answer the questions you are most comfortable with first, to **prioritize your time and maximize your score.**

* The question may not be clear so **make sure you interpret** the question correctly

*Underline key words and phrases that specifically identify what the task is

*Prewrite key definitions, examples, and people to use in the answer

*Be specific, direct, and concise; to the point. **Avoid contradictions**

Use SODAS:

- **Space It:** Leave enough space between each task for you to go back and add to it.
- **Order:** Answer the tasks in the same order as listen in the question
- **Define:** Briefly explain each concept using specific terminology that indicates an understanding of the topic. **VERY IMPORTANT.**
- **Apply:** Relate terms in the question to the scenario or connect the terms as directed in the question, paying attention to specific instructions. **VERY IMPORTANT.**
- **Synonyms:** Do not use the term in the definition or application

Sentence Frame:

- **Psychology Term** is **definition**. In this case/study/experiment, show how it applies
- Ex: **Attachment** is **an emotional tie with another person**. In **Harry and Margaret Harlow's experiment**, they bred monkeys which eventually sought out comfort more than food, which demonstrates that the effects of attachments are seen in other species as well.

Test Day Tips

- Have all of your notes **prepared and ready**, but don't spend too much time looking for information. It's better to **know the info** and use the time to demonstrate your knowledge.
- Keep an eye on the clock, and make sure you **leave enough time** to answer every question
- Check your work with any remaining time.
- Stay calm and **get in the zone**; you've prepped all year for this and the only thing you can do at this point is try your best.

multiple choice section accounts for forty five percent of the total score Each year the overall grades may fluctuate because the grading scale depends upon the performance of students in past AP administrations The following method of scoring along with the corresponding chart will give you an approximation of your score It will not indicate the exact score you would get on the actual AP English Language Composition Exam *CliffsAP® English Language and Composition, 3rd Edition* , AP English Language and Composition Accepted Inc - Ap English Language Team,2014-03-01 Preparing for the AP English Language and Composition exam is a process one involving more practice than study particularly if you re already a strong reader and writer There are no facts or figures to memorize for this test but you can review reading skills grammar and particularly rhetoric All In this AP English Language and Composition study guide you will be able to practice your composition skills and have the opportunity to look critically at your own work as you prepare for the test Sample essays help you to understand AP English Language and Composition Exam grading and scoring to improve your own writing Finally a FULL LENGTH AP English Language practice test including both multiple choice and free response questions will allow you to spot your weak points assess your skills and master the AP exam essay **AP English Language and Composition 2019 & 2020** Test Prep Books,2019-04-22 Test Prep Books AP English Language and Composition 2019 2020 AP Language and Composition Test Prep 2019 2020 and Practice Test Questions for the Advanced Placement English Language Composition Test Includes Detailed Answer Explanations Made by Test Prep Books experts for test takers trying to achieve a great score on the AP English exam This comprehensive study guide includes Quick Overview Find out what s inside this guide Test Taking Strategies Learn the best tips to help overcome your exam Introduction Get a thorough breakdown of what the test is and what s on it Reading Comprehension Components of a Text Rhetorical Strategies Evidence and Support Free Response Writing a Response Conventions of Standard English Rhetorical Analysis Synthesis Argumentation Practice Questions Practice makes perfect Detailed Answer Explanations Figure out where you went wrong and how to improve Disclaimer AP R and Advanced Placement R are trademarks registered by the College Board which is not affiliated with and does not endorse this product Studying can be hard We understand That s why we created this guide Each section of the test has a comprehensive review created by Test Prep Books These reviews go into detail to cover all of the AP English Composition exam The Test Prep Books AP English Composition practice test questions are followed by answer explanations If you miss a question it s important to understand why That way you can avoid missing it again in the future The answer explanations will help you learn from your mistakes Knowing the latest test taking strategies is essential for the exam A test taker has to understand the material that is being covered They also must be familiar with test strategies These strategies are necessary to properly use the time provided They also help test takers complete the test without making any errors Test Prep Books has provided the top test taking tips Anyone planning to take this exam should take advantage of this Test Prep Books study guide Purchase it today to receive access to AP English Composition review materials Practice test questions
