

## Environmental Management IGCSE Rocks and Minerals Revision Workbook

This workbook is made up of past paper questions based on Unit 1 Rocks and Minerals. Remember to read the question carefully and take account of the command words. I often suggest that students **BUG** the question – **BOX** the command word, **UNDERLINE** the key words and **GLANCE** over the question again.

**State:** this requires a concise answer with little or no supporting argument.

**Describe:** wants you to state the main points. Use the diagram where appropriate.

**Explain:** implies reasoning or reference to theory depending on the context. It wants you to give reasons. It wants you to leave the examiner in no doubt **why** something happens. **Give a reason** is another way of asking this.
