Navigating Human Service Organizations Rich Furman, Margaret Gibelman, Ren Winnett, 2020-07-31. Since its very inception, social work has been considered an organizationally based profession with the majority of its workforce employed within formal organizations. Whether in nonprofit, for-profit, or governmental agencies, the practical realities of human service organizations are a central element of professional social work. *Navigating Human Service Organizations* explores the climate and culture of these agencies and provides essential information for surviving and thriving in this setting. It prepares students for their future careers so that they will feel empowered in their work and be able to fulfill their responsibilities toward organizational, community, and social change. Using real-life examples, the authors examine the internal structures of management, financing, and supervision, and discuss common conflicts between agencies and professionals. The book's straightforward tone and practical advice make it an asset to anyone entering human service organizations.
