**The Radical Cross** A W Tozer, 2009-02-02 The way of the cross is still the pain wracked path to spiritual power and fruitfulness So do not seek to hide from it Do not accept an easy way Do not allow yourself to be patted to sleep in a comfortable church void of power and barren of fruit Do not paint the cross nor deck it with flowers Take it for what it is as it is and you will find the rugged way to death and life Let it slay you utterly A W Tozer from *Coddled or Crucified in The Radical Cross* In this collection of short essays Tozer considers with piercing conviction the offense and power of the cross May you venture unguarded into this book that you might be utterly changed *Fake Salvation in Modern Gnostic America*

Christopher Raoul Carranza, 2025-07-22 Timing is everything For half a century Christopher Raoul Carranza along with others has been passionately criticizing dispensationalist pastors and mainstream American churches for promoting a distorted version of salvation Nineteenth century Dispensationalism is a contemporary version of a gnostic gospel that has existed for nearly two millennia But suddenly the very people who had dogmatically defended Protestant easy believism and the old dispensational gospel are themselves adding contradictory conditions to their teachings Why It appears that by borrowing the dispensational foundational teachings like behavior doesn't matter an emphasis on Christ's finished work on the cross and the practice of the sinner's prayer pseudo conversion the homosexual community has found a cure for the chronic blindness of mainstream Protestantism and dispensationalism Many mainstream pastors are now rushing to reassess and reshape core beliefs and doctrines that were once regarded as foundational and unquestionably biblical Churches are splitting over this issue In this book Carranza illustrates how the entirety of American Protestantism has gradually degenerated into a more nuanced and insidious manifestation of the already distorted nineteenth century American religious mindset What began as a slow fall to the bottom a Christianity that prioritized pleasing the masses and catering to their desires for a more palatable form of faith turned into a landslide [Jezebel's War With America](#) Michael L.

Brown, 2019-08-06 Jezebel died 3 000 years ago But her spirit lives today Jezebel was the most wicked woman in the Bible a powerful seductress who killed the prophets led Israel into idolatry and immorality and emasculated men She was seductive and determined to snuff out the voices coming against her because these voices were calling out for repentance In twenty first century America Jezebel is not a person But it's as if the spirit of Jezebel is alive again today The influence of the same demonic force is being felt in the massive increase of pornography and sexual temptation the militant spirit of abortion the rise of radical feminism and most importantly in the attempt to silence prophetic voices Just as Jezebel clashed with strong men almost three thousand years ago the demonic spirit of Jezebel is powerful in America and it is going after the church This eye opening book not only unveils the satanic plot to destroy America beginning with an all out assault on the church but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation This book will show you how the spirit of Jezebel is active in America today and teach you how to protect the church OTHER BOOKS BY

Morse,Joseph B. Marvin,1868 **Way of the Cross--way of Justice** Leonardo Boff,1980 **Summary of A.W. Tozer's The Crucified Life** Everest Media,2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Church is not an impersonal abstract floating around in space but made up of individual Christians who have trusted Jesus Christ as their Lord and Savior The health of the Church is in direct proportion to the health of each individual Christian 2 The crucified life is defined as the deeper higher

wholly sanctified life But after looking at some of the literature produced on this topic none seems to be any deeper higher holier or more Spirit filled than common run of the mill Christianity 3 The crucified life is a life wholly given over to the Lord in absolute humility and obedience It is a sacrifice pleasing to the Lord From a natural standpoint the crucified life is burdened with contradictions 4 The Christian lives and dies by the Book We must strongly demand scriptural proof of any teaching that goes against the plain teachings of the Scripture If such proof cannot be presented the teaching must be rejected out of mind and out of hand

**The Science of the Cross** Saint Edith Stein, Josephine Koepfel OCD, 2002-03-10 To help celebrate the fourth centenary of the birth of St John of the Cross in 1542 Edith Stein received the task of preparing a study of his writings She uses her skill as a philosopher to enter into an illuminating reflection on the difference between the two symbols of cross and night Pointing out how entering the night is synonymous with carrying the cross she provides a condensed presentation of John's thought on the active and passive nights as discussed in *The Ascent of Mount Carmel* and *The Dark Night* All of this leads Edith to speak of the glory of resurrection that the soul shares through a unitive contemplation described chiefly in *The Living Flame of Love* In the summer of 1942 the Nazis without warrant took Edith away The nuns found the manuscript of this profound study lying open in her room *Outrageous Mercy* William P. Farley, 2009-01 How can God demand justice and be merciful at the same time What meeting ground exists between one who is infinitely holy and those who are utterly sinful *The Work of the Cross* Taylor Kerby, 2014-07-31 Many know of the cross but do not know or understand its power We hear of Christ being crucified but do not see why it is so important and exactly all that it has done for the world In this book every accomplishment of the cross is described clearly It goes deep into what truly happened when Jesus gave His life up for everyone in the world It demonstrates and tests many doctrines taught about the cross and even salvation If you want to go deep and learn why Jesus' death was and is the most powerful action in the world then you must read this book It is truth based solely on the Bible about the greatest act in human history The Cruciality of the Cross Peter Taylor Forsyth, 1909 P T Forsyth explains the importance of the Atonement by perishing in agony upon the crucifix Christ atoned for the sins of humanity The Gospels of the New Testament tell of how Jesus lived His life the teachings He delivered and how He came to be sentenced to death Yet the essence and depth of the message carried within the death of the Lord Jesus is not necessarily understood by all believers who read their Bible Thus the author wrote this book that the vital lessons of Jesus Christ and the atonement He undertook upon the crucifix are understood The moral and ethical implications of the death of Christ are great it is these which P T Forsyth explains with superb clarity As one of Scotland's appreciated theologians P T Forsyth's knowledge and study of the Bible and the history of Christianity is renowned He sought to explain and clarify the most important lessons and beliefs of the Biblical for the modern believer Passionate and lively in his explanations Forsyth's works remain read and in print more than a century on with Christians eager for a deeper connection with their faith turning to the works of this learned scholar **The Meaning and Message**

**of the Cross** Henry Clay Mabie,1906      **Proclaiming the Scandal of the Cross** Mark D. Baker,2006-12-01 Because many modern Christians can offer a reasonable explanation of the meaning of Jesus death on the cross they find it hard to understand the confusion displayed by the disciples after the events in the last pages of the Gospels But if Paul were alive today he would find it inexplicable that we modern believers are not scandalized by the cross Proclaiming the Scandal of the Cross introduces pastors church leaders students and lay readers to the need for contextualized atonement theology offering creative examples of how the cross can be proclaimed today in culturally relevant and transformative ways It makes helpful suggestions on how this vision for a culturally relevant message might be developed The impressive list of contributors includes writings from C S Lewis Rowan Williams Frederica Mathewes Green Brian McLaren and many more who are actively working out just how to make this life transforming proclamation      **The Science of the Cross** Edith Stein,2002 Overview To help celebrate the fourth centenary of the birth of St John of the Cross in 1542 Edith Stein received the task of preparing a study of his writings She uses her skill as a philosopher to enter into an illuminating reflection on the difference between the two symbols of cross and night Pointing out how entering the night is synonymous with carrying the cross she provides a condensed presentation of John s thought on the active and passive nights as discussed in The Ascent of Mount Carmel and The Dark Night All of this leads Edith to speak of the glory of resurrection that the soul shares through a unitive contemplation described chiefly in The Living Flame of Love In the summer of 1942 the Nazis without warrant took Edith away The nuns found the manuscript of this profound study lying open in her room Because of the Nazis merciless persecution of Jews in Germany Edith Stein traveled discreetly across the border into Holland to find safe harbor in the Carmel of Echt But the Nazi invasion of Holland in 1940 again put Edith in danger The cross weighed down heavily as those of Jewish birth were harassed Sr Teresa Benedicta of the Cross s superiors then assigned her a task they thought would take her mind off the threatening situation The fourth centenary of the birth of St John of the Cross 1542 was approaching and Edith could surely contribute a valuable study for the celebration It is no surprise that in view of her circumstances she discovered in the subject of the cross a central viewpoint for her study A subject like this enabled her to grasp John s unity of being as expressed in his life and works Using her training in phenomenology she helps the reader apprehend the difference in the symbolic character of cross and night and why the night symbol prevails in John She clarifies that detachment is designated by him as a night through which the soul must pass to reach union with God and points out how entering the night is equivalent to carrying the cross Finally in a fascinating way Edith speaks of how the heart or fountainhead of personal life an inmost region is present in both God and the soul and that in the spiritual marriage this inmost region is surrendered by each to the other She observes that in the soul seized by God in contemplation all that is mortal is consumed in the fire of eternal love The spirit as spirit is destined for immortal being to move through fire along a path from the cross of Christ to the glory of his resurrection      **Labor of God** Thomas Andrew Bennett,2017 Cover Half Title page Title page
