For questions 9–16, read the text below and think of the word which best fits each gap. Use only **one** word in each gap. There is an example at the beginning (0).

Write your answers **IN CAPITAL LETTERS** on the separate answer sheet.

Example:

O	B	E	E	N														
---	---	---	---	---	--	--	--	--	--	--	--	--	--	--	--	--	--	--

Daniela: Skateboard champion

I've always (0) an outdoors kind of girl, and (9) a kid, I'd get up to all sorts of stuff with my friends – climbing trees and messing about in the woods. As we got older, my friends started doing other things (10) shopping and listening to music, but I still loved being outside and needed a new challenge.

(11) was my brother who first got me (12) skateboarding. I'd seen him practising on his board hour after hour, and to (13) honest, I used to think it was uncool. But when he showed me some amazing tricks he could do one day, I had to give it a go.

I've got a competitive streak, so I watched loads of skateboarding clips online and got out on my board whenever I could – even (14) it was dark – in order to compete (15) my brother. It obviously paid (16) because I beat him in a competition last month!
