Exploring Marketing Research William G. Zikmund, 2003 Marketing research on the Internet has moved from the introductory stage of its product life to the growth stage in the 21st century Technological developments and social diffusion of the Internet have and will continue to shape the future of marketing research dramatically Exploring Marketing Research 8e reflects the astonishing changes in information technology that have taken place since the previous edition While this edition continues to focus on the time honored traditional marketing research methods the addition of extensive coverage of Internet research is a major change in this edition Internet issues are carefully placed throughout the text to combine basic marketing research concepts with the emerging Internet power to conduct effective marketing research

Exploring Marketing Research William G. Zikmund, Barry J. Babin, 2009-03-16 EXPLORING MARKETING RESEARCH deals with the design collection analysis and reporting of marketing research data relevant to a firm s current and future needs The text focuses on students as managers not practitioners of marketing research Students learn about traditional types of marketing research such as designing questionnaires as well as the latest technological developments that facilitate marketing research including data collection devices data analysis tools and practical approaches to data analysis In addition this edition places more emphasis on ethical and international issues relating to marketing research *Exploring Marketing Research* Barry J. Babin, 2016 EXPLORING MARKETING RESEARCH 11E provides a thorough guide to the design execution analysis and reporting of marketing research to support effective business decisions The text prepares students to approach marketing research from a management perspective rather than as hands on practitioners providing valuable business context while introducing both traditional research methods such as designing questionnaires and the latest technological advances including current data collection devices data analysis tools practical approaches to data analytics and the impact of social media and artifactual online data In addition to updates based on recent trends and technology the new 11th Edition features an increased emphasis on ethical and international issues reflecting their growing importance in modern marketing research Provided by publisher
