Aricò,2013 The Unmasking of Oriana Fallaci Part II and Conclusion to Her Life Story brings to an end years of painstaking research This biography highlights Fallaci s career as a journalist interviewer war reporter essayist and novelist Its uniqueness consists less in a chronological listing of events but rather in emphasis on the core of Fallaci s psychological dynamism This woman from Florence relentlessly placed her embellished persona in the public eye she thirsted for stardom allowing nothing to block her ascent to prominence she essentially functioned as her own publicity agent Aric maintains that this same narcissism is present in all of her early Hollywood articles celebrated interviews book on NASA space travels best selling novels and end of life trilogy against Islam Indeed Fallaci s posthumously published history of her ancestors not only takes on the structure of an epic saga but also of an in depth autobiography Her entire history of inserting herself onto center stage received reinforcement by the eye catching portraits of her by world famous photographers Aric bases The Unmasking on extensive investigation meetings

with people who knew her and fourteen one on one recorded interviews at her homes in New York and Florence His expos stands as Fallaci s only definitive and authoritative biography in the English speaking world
