India's Foreign Policy in a Changing World Vidya Prakash Dutt,1999 Reference to post 1988 period India's Foreign Policy Vidya Prakash Dutt,1984 *India's Foreign Policy in the 21st Century* V. D. Chopra,2006 An anthology of twenty three article by authors subject experts which touch every component of India s foreign policy and excusive the new tendencies on the commerciality of interests **The Foreign Policy of Rajiv Gandhi: An Analysis** Sadanand Hadagali,2024-03-18 The book is based on research conducted on The Foreign Policy of Rajiv Gandhi An Analysis It is truly a path breaking study enabling readers to know about India s foreign policy under the multidimensional leadership of Rajiv Gandhi then Prime Minister of India However this volume is unique in the sense that the author is not from an academic background but has exhibited his resolve to display the value of the academic knowledge that the author has received This book makes such a distinction because the author has made a significant contribution by covering all aspects of the foreign policy of Rajiv Gandhi This book attempts to understand the significance of leadership factor in the foreign policy making process from the perspective of the questions that relate to the influence of leadership on the conduct of India s foreign policy and international relations This work analyses India s foreign policy under the dynamic leadership of Rajiv Gandhi and also attempts to capture the multifaceted roles played by Rajiv Gandhi as Chairman of the NAM SAARC AFRICA Fund Crusader against Apartheid and playing a mediatory role in bringing the warring groups to the table Taking the leadership of Rajiv Gandhi as his case the author discusses the role of Gandhi s leadership during two significant events the ethnic problem in Sri Lanka and the signing of the Intermediate Nuclear Force Treaty *Mapping India-Pakistan Relations 1947-2022* Sujit Lahiry,2026-03-13 This book is a comprehensive study of the history and contemporary nature of the politics and relations between the two main subcontinental rivals of South Asia India and Pakistan It analyses the class structure and discourses of democracy and development in both India and Pakistan apart from all the major issues that dominate the history and contemporary politics of India Pakistan relations It also examines the Kashmir dispute cross border terrorism the nuclear discord between India and Pakistan the role of the United States in South Asia and the various confidence building measures CBMs initiated between India and Pakistan as well as outlines the future course of India Pakistan relations The volume will be of great interest to scholars and researchers of South Asian studies peace and conflict studies and contemporary politics India and Iran Relations in Twenty First Century Dr. Mukhtar Ahmad Bhat,2018-12-01 The two countries India and Iran are among the oldest civilisations of the world and their relations are not new The relations between the two are of centuries old and it is also said that the two nations belong to a same family that lived for many centuries in the pasture land of Central Asia Oxus Valley The centuries old mutual interaction enriched each other customs tradition art and architecture During medieval period their interaction increased to such a level that it left a permanent stamp on each other s culture tradition art and architecture During the period India became the second home of Iranian culture art

architecture festivals and art of gardening Even Persian language was made a tool of communication not only in the official matters but also as a means for interchange of thoughts culture and literature between the two countries There is a long list of important books related to different aspects of life like astronomy art health and hygiene history mathematics unani medicine music and religion which were translated However with the emergence of British rule over India both the countries lost their linkages and contacts between them No doubt after the end of British rule in India both the countries tried to develop their relations but the incidents like creation of Pakistan emergence of cold war and Iran s recognition as well as support to Pakistan during India Pakistan as well as emergence of Iranian revolution and Iran Iraq war restricted their mutual cooperation With the turn of twenty first century both the countries experienced stability in their both domestic and global affairs which led them to economic development In contemporary times India and Iran occupies great strategic significance in their respective regional power structure India is not only one the fastest growing economy of the world and of the south Asian region but also provides a big market While Iran on the other hand occupies great strategic importance not only because of its geographic location but also due to its energy resources The present study is a modest attempt to analyse Indo Iran relations Keeping in view the past present and future prospects of the relations between the two countries a thorough study has been carried out in terms of understanding the nature of India and Iran relations The study aims to understand the different dimensions of India and Iran relations of recent times It not only deeply analyses the areas that strengthen their bilateral cooperation and the influence of external powers particularly of US and Israel But it goes further deep by discussing in detail the areas that would led to inter regional integration by interconnecting South Asia Central Asia West Asia and Europe And ultimately would take the regional economic development and peace to new heights The study highlights the strategic importance of Iran for India not only with respect to the availability of energy resources and market for Indian goods and services but also Iran is would play a very significant role in transforming India into a new emerging power at both global and regional level Keeping all these things in mind the book has been based on six chapters which deals with different aspects The chapter first presents the historical overview chapter second present comparative study of principles of foreign policies of both the countries Chapter third deals with the areas of cooperation and conflict between India and Iran Fourth chapter discusses the influence of external powers on India and Iran relations Chapter fifth studies the India and Iran relations in changing regional scenario Despite non availability of primary sources efforts have been made to collect important and relevant data and special attention and care has been taken for the reliability of the sources of data which has been put to analytical study to arrive at certain conclusions *Foreign Policy Of India -7E V N Khanna,2018* This authoritative work on India s foreign policy rests on the fundamental values of international relations that India has cherished Efforts have been made to analyze these values and to evaluate to what extent these have been implemented and to what extent these have been effective This edition of the book has been updated to include new issues that have emerged

and have come to dominate India's foreign policy concerns India's stance on Climate Change has undergone an evolution in the last two decades which is important to understand Similarly India's relation with Israel which was tepid and limited till 1992 has undergone a radical transformation ever since India has forged a close and important partnership with Israel which will be critical going forward for it especially in the defence sector India and Israel have also come to share a sense of solidarity being common victims of terrorism as was highlighted by the 26/11 Mumbai terror attacks of 2008 Thus it is important to take stock of India's growing relationship with Israel Furthermore the rise of China is the biggest geopolitical challenge India faces in this century This edition discusses how India is seeking to formulate a foreign policy in accordance with its emergence as a major international power It also discusses India's relations with its neighbours in South Asia

India's Foreign Policy H. C. Shukul, 1994 **India Since Independence** Bipan Chandra, 2008-02-11 A thorough and incisive introduction to contemporary India The story of the forging of India the world's largest democracy is a rich and inspiring one This volume a sequel to the best selling *India's Struggle for Independence* analyses the challenges India has faced and the successes it has achieved in the light of its colonial legacy and century long struggle for freedom The book describes how the Constitution was framed as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed It dwells on the consolidation of the nation examining contentious issues like party politics in the Centre and the states the Punjab problem and anti caste politics and untouchability This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause It also documents the fall of the National Democratic Alliance in the 2004 General Elections the United Progressive Alliance's subsequent rise to power and the Indo US Nuclear Deal that served to unravel the political consensus at the centre Apart from detailed analyses of Indian economic reforms since 1991 and wide ranging land reforms and the Green Revolution this new edition includes an overview of the Indian economy in the new millennium These along with objective assessments of Jawaharlal Nehru Indira Gandhi Jayaprakash Narayan Lal Bahadur Shastri Rajiv Gandhi Vishwanath Pratap Singh Atal Bihari Vajpayee and Manmohan Singh constitute a remarkable overview of a nation on the move **India's Foreign Policy Since 1971** Robert W.
