Strategic Integrated Marketing Communications Larry Percy,2018-04-30 The key to effective integrated marketing communication is planning and that is what this book is all about It provides a disciplined systematic look at what is necessary to the planning and implementation of an effective IMC programme Throughout attention is paid to balancing theory with practical application how to successfully implement theory for effective communication Step by step knowledge and understanding builds through the book starting by laying a foundation to provide context looking at the role of IMC in building brands and strengthening companies The book then looks at what goes into developing and executing effective messages and how to ensure that they are consistent and consistently delivered regardless of media Everything is then pulled together providing a detailed practical overview of the strategic planning process what goes into it and how it is implemented Numerous examples and cases are included along with desktop tools and worksheets for developing and implementing an IMC plan Thoroughly updated with special attention throughout to the increasing importance of digital media in marketing communication new to this edition are the introduction of a general model of positioning and the important relationship between positioning and brand awareness and brand attitude strategy a look at the role of the preconscious in message processing a much expanded look at media and media planning concepts an expanded and more detailed section on digital media a section on content marketing

Social Media and Integrated Marketing Communication Jeanne M. Pursuit,2013-07-18 Social Media and Integrated Marketing Communication A Rhetorical Approach explores social media in the areas of corporate identity brand narratives and crisis response from a rhetorical perspective Key ideas in this text are social media as epideictic rhetoric the rhetorical setting that deals with the present and matters of virtue and education and how rhetorical decorum a component of Cicero s third Canon of Style can guide organizations and their audiences toward more ethical and effective integrated marketing communication IMC This strategy emphasizes changing

behavior not just attitudes Because social media leaves traces of communication that may be with us for the foreseeable future Social Media and Integrated Marketing Communication frames the conversation about social media and IMC to move away from a risk reward or a return on investment orientation and toward a focus on social media as communicative action that is attentive to this historical moment to organizations and their audiences and to communication ethics Through this Pursuit asks how organizations can engage in decorum in their online IMC efforts while at the same time considering how their audiences can engage in decorum as well Neither romanticizing nor demonizing the areas of social media and IMC instead this text offers a pragmatic understanding of these areas that finds a place in the theory of the communication discipline
