[Bring Your Human to Work: 10 Surefire Ways to Design a Workplace That Is Good for People, Great for Business, and Just Might Change the World](#) Erica Keswin, 2018-09-28 WALL STREET JOURNAL BESTSELLER The secret to business success: Get REAL and be HUMAN. As human beings, we are built to connect and form relationships. So it should be no surprise that relationships must also translate into the workplace where we spend most of our time. Companies that recognize this will retain the most productive, creative, and loyal employees and invariably seize the competitive edge. The most successful leaders are those who actively form quality relationships with their employees who honor fundamental human qualities: authenticity, openness, and basic politeness, and apply them day in and day out. Paying attention and genuinely caring about the effects people have on one another is key to developing a winning culture where people perform at the top of their game and want to work. As a workplace strategist and business coach, Erica Keswin has spent over 20 years working with top business leaders and executives to build successful organizations that honor

relationships Featuring case studies from top brands such as Lyft Starbucks Mogul and SoulCycle to name a few Bring Your Human to Work distills the key practices of the most human companies into applicable advice that any business leader can use to build a human workplace These building blocks include Understanding your company s role in the world beyond financial profit Encouraging employees to be healthy in body and spirit Running your meetings with clear purpose Making space for face to face interaction Building professional development into company culture Inspiring your workforce to give back to the community Simply saying thank you A human company is real genuine aligned and true to itself A real company flaunts its humanity instead of hiding it It s what the most successful sustainable companies are doing today and there s no reason yours can t be the same Keswin s leadership lessons foster fairness devotion and joy in the workplace all critical elements of a successful business By bringing your human to work you can design a workplace that is good for people great for business and just might change the world [Human Resources Management](#) ,2008 **Computerworld** ,2008 **How to Do Everything Microsoft SharePoint 2013** Stephen Cawood,2013-03-26 Maximize Microsoft SharePoint 2013 Written by a former member of the SharePoint development team How to Do Everything Microsoft SharePoint 2013 shows you how to get the most out of the latest release of this dynamic business collaboration platform You ll learn to set up SharePoint sites and use document management wikis taxonomy blogs social features and more to organize manage and share content Real world examples help you accomplish tasks quickly and easily Basic information on SharePoint development and administration is also included in this practical guide Work with sites apps lists libraries and items Upload documents manage files with document libraries and use document versioning and content approval features Collaborate via discussion boards blogs wikis events surveys calendars and newsfeeds Use social tagging enable a folksonomy and use enterprise keywords Create a taxonomy hierarchy using enterprise managed metadata Build publishing sites personal sites and websites Display data on pages using web and app parts Customize apps lists forms and navigation Use SharePoint with client applications including Microsoft Office Outlook InfoPath SharePoint Designer and third party applications Learn the basics of SharePoint administration and development
