WORLD  
COULD BE**

A stylized illustration of a factory chimney emitting smoke against a red, cracked background. The chimney is a simple vertical cylinder on the left side, with a thick, dark plume of smoke rising from it and spreading across the upper right portion of the frame. The background is a solid, vibrant red color with several thin, white, irregular cracks or fissures scattered across it, suggesting a cracked or distressed surface. The overall aesthetic is graphic and somewhat dystopian.
