Robbins Organizational Behavior 15th Edition:

Organizational Behavior, Student Value Edition Stephen P. Robbins, Timothy A. Judge, 2012-01-06 *Organisational Psychology* Niklas K. Steffens, Floor Rink, Michelle K. Ryan, 2022-11-25 *Organisational Psychology Revisiting the Classic Studies* critically reflects upon 14 studies by researchers such as Gilbreth French and Raven Greenberg and Schein that have long been considered foundational. Written and edited by leading scholars, this book invites you to think about the limitations of the classic studies, put theory into practice, and consider in depth the lasting impact of these key studies on the field today. *Revisiting the Classic Studies* is a series of texts that introduces readers to the studies in psychology that changed the way we think about core topics in the discipline today. It provokes students to ask more interesting and challenging questions about the field by encouraging a deeper level of engagement both with the details of the studies themselves and with the nature of their contribution. Edited by leading scholars in their field and written by researchers at the cutting edge of these developments, the chapters in each text provide details of the original works and their theoretical and empirical impact and then discuss the ways in which thinking and research has advanced in the years since the studies were conducted. Niklas K. Steffens is Director of the Centre for Business and Organisational Psychology and Associate Professor at The University of Queensland. Floor Rink is Professor of Organisational Behaviour at the University of Groningen. Michelle K. Ryan is the inaugural Director of the Global Institute of Women's Leadership and Professor of Social and Organisational Psychology at The Australian National University. *Proceedings of the 7th International Conference on Accounting, Management and Economics (ICAME-7 2022)* Muhammad Irdam Ferdiansyah, Daniella Cynthia Sampepajung, Insany Fitri Nurqamar, Rakhmat Prima Nugraha, 2023-05-27 This is an open access book. The International Conference on Accounting, Management and Economics (ICAME) is an annual agenda organized by the Faculty of Economics and Business Hasanuddin University. Driven by the growing need for seamless information flow in today's dynamic work environments, this research
