Samenvatting Work In The 21st Century An Introduction To:

SUMMARY - Capital In The Twenty-First Century By Thomas Piketty Shortcut Edition,2021-05-31 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will learn that the very unequal global distribution of wealth in the 21st century is likely to increase in worrying proportions if nothing is done to curb this trend You will also discover that capital at all times tends to be concentrated in a few hands or countries only a succession of world wars and crises has made it possible to redistribute wealth more equitably strong growth allows more equal access to wealth but this is only a short term solution no natural phenomenon has ever controlled or limited the accumulation of capital only a progressive tax on wealth would make it possible to curb the inequalities caused by capitalism Capital in the 21st century is an ambitious work it draws up for the very first time a global panorama of the distribution of wealth from the 18th century to the present day based on the most reliable international data on income and wealth Previously most of the economists who have marked history from Malthus to Kuznets to Marx lacked not only hindsight but also reliable sources when they did not use the latter for ideological or political purposes Yet it is clear that over three centuries the distribution of wealth is as much linked to economic factors as to political and social choices Buy now the summary of this book for the modest price of a cup of coffee Working Together for Peace and Justice in the 21st Century : Summary of Proceedings ,1999 **Summary of Yuval Noah Harari's 21 Lessons for the 21st Century by Swift Reads** Swift Reads,2019-06-25 Yuval Noah Harari s 21 Lessons for the 21st Century 2018 explores the crucial social problems likely to beset humanity in the coming decades The text is a protracted reflection on globalization technology climate change and cultural conflict Purchase this in depth summary to learn more Agenda for Research on Women's Health for the 21st Century: Executive summary ,1999 **Refocusing Transportation Planning for the 21st Century** National Research Council (U.S.). Transportation Research Board,2000 Two conferences on Refocusing Transportation Planning for the 21st Century were held in 1999 following passage of the Transportation Equity Act for the 21st Century TEA 21 The first conference focused on the identification of key trends issues and general areas of research The results of Conference I which produced stand alone products were used as input for Conference II The second conference had the specific objective of producing research problem statements Its mission was to review the results of the first conference by developing these statements Conference II produced a number of detailed research statements that form the basis for the National Agenda for Transportation Planning Research The proceedings of both conferences are presented in this report Literacy for the 21st Century Gail Tompkins,Rod Campbell,David Green,Carol Smith,2014-08-01 Literacy for the 21st Century 2e gives students the strategies and ability to teach literacy effectively in Australian classrooms Linking the theory and research to classroom practice and with a greater emphasis on the use of digital literacies students will gain a practical understanding of teaching reading and writing **New Directions from the Field: Executive summary** ,1998 *Daily*
