Accounting and Regulation Roberto Di Pietra, Stuart McLeay, Joshua Ronen, 2013-11-05 Since 1998 the world's leading experts on accounting and regulation have convened in a series of workshops to explore and analyze emerging issues in the field. They have covered a wide array of topics including corporate governance, auditing, financial disclosure, international standards, boards, and the dynamics of markets and institutions. Most recently, they have focused on the role that accounting practices and policies may have played in the global financial crisis of 2008. In this volume, the editors showcase contributions from the workshops that represent the full spectrum of issues and perspectives relating to accounting and regulation. Each paper incorporates the most current examples and references to reflect the latest insights with an emphasis on exploring future implications for theory and research practice and policymaking.

Corporate Governance Matters David Larcker, Brian Tayan, 2025-10-14 The Definitive Guide to High Performance Corporate Governance Fully updated to reflect the latest research trends and regulations. *Corporate Governance Matters Fourth Edition* is the definitive resource for anyone seeking to improve corporate governance practices from directors and institutional investors to policymakers and researchers.
