

A man with short dark hair and a goatee, wearing a dark blue button-down shirt and dark pants, is sitting on a balcony. He is leaning forward with his hands clasped. The balcony has a white railing and a black lamp post. In the background, there are lush green trees and a body of water. A semi-transparent white box with a drop shadow contains text and a quote.

"Using this technology, some forms of blindness may be curable, including macular degeneration and Starburst disease, a currently untreatable form of eye disease that causes blindness in teenagers and young adults."
