Roger Garaudy

Robert S. Wistrich

Roger Garaudy:

Marxism, Christianity, and Islam Julian Roche,2024-02-20 Roger Garaudy was for many years at the centre of the French Communist Party but was eventually expelled for his liberal views In the Seventies he strove to bring Marxism and Christianity together to include all humanity in a project to set all people free What emerges from Garaudy s project is a very modern Marxism with its emphasis on the individual its ecological politics and in its insistence on religion as central to human emancipation Although Garaudy himself became frustrated by the failure of Marxism and converted to Islam eventually resulting in his work being discredited in the West it is certainly possible that Garaudy s project represents a good perhaps even the best starting point for Marxism in today s world

Holocaust Denial Robert S. Wistrich,2012-10-01 Holocaust Denial The Politics of Perfidy provides a graphic and compelling global panorama of past and present variations on this toxic phenomenon The volume examines right and left wing French negationism post Communist Holocaust deniers in Eastern Europe the spread of denial to Australia Canada South Africa and even to Japan Leading scholarly experts also explore the close connection between Holocaust denial global conspiracy theories antisemitism and radical anti Zionism especially in Iran and the Arab world

Marxism, Christianity and Islam Julian Roche,2023 Roger Garaudy was for many years at the centre of the French Communist Party but was eventually expelled for his liberal views In the Seventies he developed a project to bring Marxism and Christianity together to include all humanity in a project to set all people free What emerges from Garaudy s project is a very modern Marxism with its emphasis on the individual its ecological politics and in its insistence on religion as central to human emancipation Although Garaudy himself became frustrated by the West and converted to Islam in 1982 ending his life discredited in the West it is certainly possible that Garaudy s project represents a good perhaps even the best starting point for Marxism in today s world
