

Thompson: Can you tell me more about these visions?

Betsy: He appears to me very serious holding a sharp knife in his hand to attempt to slice me. My own group through the window where he sees his father ready to attack claiming that he is not my son's biological father. (She she sobs)

Thompson: This must be an awful experience. Has he ever attempted any such attack on your son?

Betsy: Not even once. But I don't like to talk about it.

Thompson: I will not push you since it is distressing although it would help if I knew a little bit more. Will it be okay with you to give more information?

Betsy: yes she hesitates it is okay.

Thompson: Are still in communication with your husband? Does anyone else hear or see what you see?

Betsy: I have not talked to him since I left his house. No one is able to see what I always see. Instead they are worried that am crazy.

Thompson: Do you experience nightmares and see your husband in visions? Does one and other people who hear you think you are going crazy? Is that right?

Betsy: I have not seen crazy. I really need to stop seeing all these visions and forget him for good.
