Northwest Louisiana Stephen Pinkney,2026-01-09 Caddo Parish Louisiana is a region marked by high poverty rates among
Black residents In this parish the Black American population surpasses the White population and poverty among African
Americans is more than double that of White residents The poverty rate for Black Americans in Caddo Parish also exceeds
both the state average for Louisiana and the national average A similar trend is observed in neighboring Bossier Parish These
two parishes are interconnected through their most prominent cities forming the Shreveport Bossier City Metropolitan Area
Within this metropolitan region poverty levels among Black residents are currently higher than the national average This
book examines how systemic racism has become embedded in urban development suburban sprawl political systems and
other structural factors It explores how these elements have perpetuated poverty within the Black community and hindered
progress from the colonial era of Louisiana through the Civil War and into the present day in Caddo Parish Accounting
