UBS,PricewaterhouseCoopers

Billionaire Report 2016 Ubs:

Refeudalization and the Crisis of Civilization Olaf Kaltmeier,Edgardo Lander,2023-06-02 Discussing the civilizatory crisis and processes of refeudalization this volume brings into dialogue two of the most creative approaches in Olaf Kaltmeier and Edgardo Lander to rethink capitalism in the 21st century In Part 1 Olaf Kaltmeier takes issue with the state of social inequality in the region highlighting the concentration of wealth within the upper 1% of society in Latin America Comparing the current economic situation with the ancient regime the discussion centers around the new phenomena like billionaires as president increased luxury consumption an emerging culture of distinction and the intensification of land and spatial segregation In Part 2 Lander urgently assesses the current state and political legacy of the Pink Tide governments in his essay Crisis of Civilization Reviewing the past two decades of the new millennium Lander critiques the failure of these governments to provide alternatives to extractivism and economic dependencies Finally Hans Jürgen Burchardt connects the arguments through interviews where both authors sum their efforts to open the issues to future dialogue Refeudalization in Latin America provides an accessible and thought provoking political diagnosis from the Global South which departs from the oft idiosyncratic and cyclical debates of the Global North to offer new vocabulary for social change It will interest scholars and students of global studies sociology and political science

Economic Transformation and Business Opportunities in Asia Pongsak Hoontrakul,2017-08-13 This book examines the uneven economy in Asia showing how the pace of economic transformation affects prosperity and the emerging middle class Using the Lewis turning point and the long run cycle of the rise and fall of nations as a framework it demonstrates how demographic trends digitization rates and consumer preferences creates business opportunities in a disruptive and uncertain world This includes moves toward promoting Eurasian integration restructuring of state owned enterprises green economy and the digital economies ecommerce fintech and sharing economy Vanity capital longevity and leisure economies are also discussed The author explains what drives creative disruption technical innovation and their effect on manufacturing consumers businesses and sustainability It is essential reading for students academics executives and business persons wanting in depth coverage of the economic landscape in Asia

Global Wealth Chains Leonard Seabrooke,Duncan Wigan,2022 The world economy operates around the production of value and the creation and protection of wealth This volume explores how global wealth chains are articulated issues of regulatory liability and how social relationships between clients and service providers are important for governance issues

Luxury Brands in China and India Glyn Atwal,Douglas Bryson,2017-06-27 This book provides an analysis of the luxury industry in two of the world s biggest and evolving markets and identifies and discusses the key issues and dynamics in transforming their luxury landscapes By discussing the elements that are most likely to dominate boardroom agendas the pragmatic implications for both strategic and marketing planning are made clear Special emphasis is placed upon well contemplated responses to luxury brand marketing challenges that executives are likely to face as they push their brands to

adapt and thrive in these shifting markets *This Land Is Our Land* Suketu Mehta,2024-03-26 A meticulously researched and deeply felt corrective laying bare the origins of mass migration in searing clarity Well argued cathartic Lauren Markham The New York Times Book Review A TIME MAGAZINE TOP TEN NONFICTION BOOK OF THE YEAR AN NPR STAFF PICK There are few subjects in American life that prompt more discussion and controversy than immigration But do we really understand it In *This Land Is Our Land* the renowned author Suketu Mehta attacks the issue head on Drawing on his own experience as an Indian born teenager growing up in New York City and on years of reporting around the world Mehta subjects the worldwide anti immigrant backlash to withering scrutiny As he explains the West is being destroyed not by immigrants but by the fear of immigrants Mehta juxtaposes the phony narratives of populist ideologues with the ordinary heroism of laborers nannies and others from Dubai to Queens and explains why more people are on the move today than ever before As civil strife and climate change reshape large parts of the planet it is little surprise that borders have become so porous But Mehta also stresses the destructive legacies of colonialism and global inequality on large swaths of the world When today s immigrants are asked Why are you here they can justly respond We are here because you were there And now that they are here as Mehta demonstrates immigrants bring great benefits enabling countries and communities to flourish Impassioned rigorous and richly stocked with memorable stories and characters *This Land Is Our Land* is a timely and necessary intervention and a literary polemic of the highest order A brilliant and urgently necessary book Salman Rushdie

Feminist Theory and International Law Emily Jones,2023-01-31 Feminist approaches to international law have been mischaracterised by the mainstream of the discipline as being a niche field that pertains only to women s lived experiences and their participation in decision making processes Exemplifying how feminist approaches can be used to analyse all areas of international law this book applies posthuman feminist theory to examine the regulation of new and emerging military technologies international environmental law and the conceptualisation of the sovereign state and other modes of legal personality in international law Noting that most posthuman scholarship to date is primarily theoretical this book also contributes to the field of posthumanism through its application of posthuman feminism to international law working to bridge the theory and practice divide by using posthuman feminism to design and call for legal change This interdisciplinary book draws on an array of fields including philosophy queer and feminist theories postcolonial and critical race theories computer science critical disability studies science and technology studies marine biology cultural and media studies Indigenous onto epistemologies critical legal theory political science and beyond to provide a holistic analysis of international law and its inclusions and exclusions This interdisciplinary book will appeal to students and scholars with interests in legal feminist and posthuman theory as well as those concerned with the contemporary challenges faced by international law

The Phoenix Encounter Method: Lead Like Your Business Is on Fire! Ian C. Woodward,V. "Paddy" Padmanabhan,Sameer Hasija,Ram Charan,2020-10-27 A radical new leadership strategy to transform business as we know it

from a dream team of INSEAD professors and mega bestselling author Ram Charan The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies upstart entrants demographic shifts and new world orders Who can feel safe in firestorm change The authors of The Phoenix Encounter Method don't advise safety In fact their method of leadership thinking requires you to imagine burning your business to the ground throwing yourself into a firestorm change and turning the upheaval to your organization's advantage It can then rise phoenix like from the ashes stronger and more powerful than ever Written with a sense of urgency and purposefully radical provocation The Phoenix Encounter Method represents the forward thinking of legendary business guru Ram Charan and professors from the senior global leadership program of INSEAD one of the world's top graduate business schools The resulting methodology based on analysis of thousands of articles studies reports and academic and business practice was field tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies Whatever your sector or industry if you're responsible for your organization's ability to use change as a transformative opportunity you'll appreciate the dramatic impact The Phoenix Encounter Method will have on you your leadership and your organization
