Black Magic for Dark Times Angela Kaelin, 2013-09-07 Black Magic for Dark Times Spells of Revenge and Protection is for every good decent person who has been the victim of violence threats fraud official corruption or other crimes and is without a conventional form of redress It is the first spell book especially for crime survivors It was written to help you deal with situations in which every normal means of justice has been cut off It is a black magic spell book for the times we live in a time of pervasive injustice and rampant unchecked crime and corruption The terms revenge and justice are both about bringing balance and harmony to a situation Both words have similar meanings but different connotations Justice is balance and harmony brought about through the courts and the justice system Revenge is balance and harmony brought about on an individual level This book contains spells for both of these situations When there is no justice the conjurer can make it When there is no way to identify the perpetrator by conventional means he can be routed out using the often misunderstood science of magic If you believe that all of the world is bent toward justice and karma will get the evil doers in the end or they will be judged by God and burn in fire and brimstone forever then this book is not for you If you can reconcile living in a world with such people and the complete absence of justice by simply saying They ll get theirs someday then put this book down and go back to sleep Come back and read this book when you can face the truth when you are filled with self righteous anger and ready to invoke cosmic justice upon the perpetrators of evil acts with all the forces of Hell Over 100 spells and formulas plus tips for making spells more effective Includes spells to protect from and exact spiritual justice in cases of Police brutality judicial corruption domestic violence rape stalking harassment unjust foreclosure and banking fraud bullies at work and school gossips illegal checkpoints airport security government raids home and travel protection theft bad neighbors threats creepy landlords negative energies unwanted house guests and finally how to heal from the trauma for survivors of violent crime This is a unique spell book of practical magic especially for crime survivors and those dealing with official corruption written in a conversational style Part of the purpose of the book is to reawaken people to the idea that magic is a force for change in the real world *BLACK MAGIC RITUALS & SPELLS UNLEASHING DARK POWER, CURSES, AND HEXES*
