behavior not just attitudes Because social media leaves traces of communication that may be with us for the foreseeable future Social Media and Integrated Marketing Communication frames the conversation about social media and IMC to move away from a risk reward or a return on investment orientation and toward a focus on social media as communicative action that is attentive to this historical moment to organizations and their audiences and to communication ethics Through this Pursuit asks how organizations can engage in decorum in their online IMC efforts while at the same time considering how their audiences can engage in decorum as well Neither romanticizing nor demonizing the areas of social media and IMC instead this text offers a pragmatic understanding of these areas that finds a place in the theory of the communication discipline
