

SUMMARY

The Official Airline Guide (OAG) is an air travel intelligence reference that provides data on airline schedules, cargo and aviation analytics. OAG's databases include cargo flight information updated daily, worldwide cargo schedules from freighter aircraft to road feeder services, origin/destination information, flight details, airline code, airport, and aircraft type. Furthermore, OAG offers a comprehensive reference guide for cargo flights that is updated monthly to provide visibility of all flight options available. Data can be customized to specifically contain the parameters desired by the user.
