What Did You Say? Stanley B. Felber, Arthur Koch, 1978

Writing and Motivation Suzanne Hidi, Pietro Boscolo, 2006-11-01 The aim of this

volume is to bring together contributions from international research on writing and motivation It not only addresses the basic question of how motivation to write can be fostered but also provides analyses of conceptual and theoretical issues at the intersection of the topics of motivation and writing What emerges from the various chapters is that the motivational aspects of writing represent a rich productive and partially still unexplored research field This volume is a step in the direction of a more systematic analysis of the problems as well as an effort to present and compare various models perspectives and methods of motivation and writing It addresses the implications of writing instruction based on the 2 main approaches to writing research cognitive and socio cultural It provides systematic analysis of the various models perspectives and methods of motivation and writing It brings together the international research available in this burgeoning field
