The Indomitable Chemist Dr. Arvind Yadav,2023-11-08 Prof CNR Rao is a living legend Einstein paid a compliment to Mahatma Gandhi on his 70th birthday He said Generations to come it may well be will scarce believe that such a man as this one ever in flesh and blood walked upon this earth On Prof Rao s birthday I would repeat these words Prof Rao is not an individual he is an institution he is a phenomenon I feel lucky that our generations could see him touch him feel him experience him learn from him and get inspired by him I have watched Prof Rao as a scientist as a science leader as a science institution builder and indeed as a leader of leaders of science I have also watched him as a wonderful warm hearted human being with abundant empathy I have seen his childlike enthusiasm I have watched him as courage personified What follows is more anecdotal but solely based on my personal viewpoint Professor Rao has had a tremendous influence on my life He has been my guru guide friend and philosopher I met him for the first time when he was the Chairman of the Research Advisory Council of the National Chemical Laboratory NCL in the nineteen eighties I was then in my late thirties Professor Rao has an uncanny ability to spot talent among the young He was the President of the Indian Science Congress in the year 1988 which was held in Pune University Mr Rajiv Gandhi was the Prime Minister and he inaugurated the Science Congress Later on during the lunch that followed Prof Rao made a special point to introduce me to Rajiv Gandhi I still remember his words He said Mr Prime Minister meet a rising young star of Indian science Little did I then know that within the next couple of months he would make me a member of the Science Advisory Council to the Prime Minister which he was chairing At 42 I was the youngest member and I remember people calling me the baby of the team Getting that huge exposure at such a young age was something very special for me I got a helicopter view of India at large It helped me enormously as I moved on in life Padma Vibhushan Dr Raghunath Anant Mashelkar **Annual Report** National Council of Educational Research and Training (India),2007 International Yearbook of Education ,1966 All India Educational Survey ,1997 Index to Conferences Relating to Nuclear Science Willie E.
