## **Ping A Frog Search Of New Pond:**

**Ping** Stuart Avery Gold,2014-04-05 A parable about adapting to change and overcoming obstacles This is the story of Ping a frog who s ignored the signs of his pond drying up around him and is stuck in the mud Ping represents everybody who has encountered a setback needs to take a risk or is struggling with the challenges of change that is to say he is all of us Ping s tale inspires us to take risks and persevere and shows us the limitless possibilities that can result when the decision is made to take a leap of faith

**Ping** Stuart Avery Gold,2007-02 This inspirational tale follows the transformative journey of Ping a frog in search of a new pond Along the way he meets Owl who shares his wisdom Ping represents everyone who has encountered a setback needs to take a risk or is struggling with the challenges of change Zentrepreneurism Allan Holender,2006 The world of service coupled with entrepreneurial success has been building for the past thirty years Only now has it begun to explode with great strides and creativity We seek a life where our families businesses and our efforts merge into a single harmonious whole and where we measure our success in more ways than just the balance of our bank accounts This book can bring back the values in our lives that often get lost in the quest for success One does not have to be a Buddhist to benefit as the success stories within will testify to but should simply be open to trying a powerful compassionate new way of doing things in the business world Instead of the greedy short sighted business mentality of the past we can move into areas that will improve the lives of many others beyond but still including ourselves With the ever increasing value of service on the rise one can actually achieve larger success in many cases than if generosity and service were not creatively employed

*INKED* Doug Swanson,2023-12-11 Casey Theodore Cranston Randall Monterey who prefers to be called EDY lives for jack Adopted on his thirty fourth day of life EDY seeks revenge for the injustice that he believes has been wrongfully delivered through his adoption Striving to avenge the injustice his untoward lifestyle eventually leads him to Bread Man Through a restorative justice mentorship program EDY is assigned to ride shotgun in Bastien Fergus Hunt s bread wagon for 16 weeks EDY defiantly accepts his 16 week assignment with no intention of accepting the tutelage of Bread Man A middle aged man and a defiant youth navigate the daily 10 hour sojourn through a rural community delivering bread to fourteen communities Guarded defiant and angry EDY is confident he can navigate the 16 week punishment with minimal engagement so that he may return to his free wheeling self absorbed lifestyle Bread man on the other hand is not easily provoked or irritated Through strained conversations they eventually discover they share similar journeys The Bread Wagon serves as a space where a mentor and reluctant learner eventually uncover their shared angst
