Political Science 12th Edition:

The Logic of American Politics Samuel Kernell, Gary C. Jacobson, Thad Kousser, Lynn Vavreck, Timothy R. Johnson, 2025-04
Why does the American political system work the way it does After observing the strains of intense partisanship and divided government many Americans are wondering what logic if any can be found in politics With both sides of the political spectrum being so different from one another and the scales often tipping in the favor of the opposing party by a fraction of a percentage point how can anyone work the system to their advantage With fresh analysis of the 2024 presidential election results the bestselling textbook *The Logic of American Politics* provides students with the tools they need to make sense of the government they have Weaving together historical context contemporary politics and a toolkit of institutional design concepts the Twelfth Edition builds students understanding of political institutions and practices as imperfect solutions to collective action problems *Understanding the Political World* James N.
