A Life of Psalms in Jewish Late Antiquity A. J. Berkovitz, 2023-06-20 The Bible shaped nearly every aspect of Jewish life in the ancient world from activities as obvious as attending synagogue to those which have lost their scriptural resonance in modernity such as drinking water and uttering one's last words And within a scriptural universe no work exerted more force than the Psalter the most cherished text among all the books of the Hebrew Bible A Life of Psalms in Jewish Late Antiquity clarifies the world of late ancient Judaism through the versatile and powerful lens of the Psalter It asks a simple set of questions Where did late ancient Jews encounter the Psalms How did they engage with the work And what meanings did they produce A J Berkovitz answers these queries by reconstructing and contextualizing a diverse set of religious practices performed with and on the Psalter such as handling a physical copy reading from it interpreting it exegetically singing it as liturgy invoking it as magic and reciting it as an act of piety His book draws from and contributes to the fields of ancient Judaism biblical reception book history and the history of reading

The Classics, Greek & Latin Marion Mills Miller, 1909 *Print, Power, and Cultural Hegemony* Federico Dal Bo, 2024-09-23 Federico Dal Bo examines the design of early Hebrew books from the late fifteenth and sixteenth centuries focusing not only on the words in these early books but also on how they were arranged on the page He follows in the tradition of scholars such as Christopher de Hamel Marvin J Heller and David Stern who have explored the importance of these Hebrew books in influencing Jewish learning and attracting the interest of Christians The author discusses important prints such as the first Talmud and rabbinical bibles which marked a shift from being for Jewish readers only to being for both Jews and Christians The collaboration between Jewish editors and Christian printers changed the way these books looked and the audience for whom they were intended At first these early prints copied the style of handwritten Hebrew manuscripts The simple layout could be difficult to read especially for long books like the Bible or Talmud But over time influenced by the humanism of the Italian Renaissance the layout became more complex The book also looks at how the layout changed from full page commentaries to a more complicated design in which the main text and commentaries shared the same page This shift challenged the idea of who was the primary author and emphasized the role of editors The layout with the main text in the center and the commentaries on the sides created a kind of unwritten rule for how to read religious texts Dal Bo's study also includes new information about a 1553 trial in which the Talmud was burned Overall it explores how the layout of these early Hebrew books shaped cultural power and influenced how people read
