Projecting Politics Political Messages In American Films:

Projecting Politics Terry Christensen, Peter J. Haas, 2005 This work examines the relationship between American politics and films from Birth of a Nation to Fahrenheit 9/11 It provides a decade by decade survey as well as a framework to analyse the political content of films

Projecting Politics Elizabeth Haas, Terry Christensen, Peter J. Haas, 2015 The new edition of this influential work updates and expands the scope of the original including more sustained analyses of individual films from The Birth of a Nation to The Wolf of Wall Street An interdisciplinary exploration of the relationship between American politics and popular films of all kinds including comedy science fiction melodrama and action adventure Projecting Politics offers original approaches to determining the political contours of films and to connecting cinematic language to political messaging A new chapter covering 2000 to 2013 updates the decade by decade look at the Washington Hollywood nexus with special areas of focus including the post 9/11 increase in political films the rise of political war films and films about the 2008 economic recession The new edition also considers recent developments such as the Citizens United Supreme Court decision the controversy sparked by the film Zero Dark Thirty newer generation actor activists and the effects of shifting industrial financing structures on political content A new chapter addresses the resurgence of the disaster apocalyptic film genre with particular attention paid to its themes of political nostalgia and the turn to global settings and audiences Updated and expanded chapters on nonfiction film and advocacy documentaries the politics of race and African American film and women and gender in political films round out this expansive timely new work A companion website offers two additional appendices and further materials for those using the book in class

American Politics in Hollywood Film Ian Scott, 2011-05-06 In this second edition of American Politics in Hollywood Film Ian Scott takes up his analysis of political content and ideology through movies and contends that American culture and the institutional process continues to be portrayed debated and influenced

The Political Thriller in Contemporary American Cinema Krešimir Bobaš, 2025-06-30 The Political Thriller in Contemporary American Cinema examines how political thriller films deconstruct and reflect the sociopolitical realities of the second half of the twentieth century as well as the first two decades of the twenty first century The book highlights the convergence between the cinematic narrative its underlying political discourse and the audience's perception of it Through a critical lens it analyzes how contemporary films utilize characterization narrative and suspense to examine topics of governance malfeasance and power dynamics By referring to films such as The Manchurian Candidate Zero Dark Thirty and Snowden this book traces the evolution of the political thriller questioning how its narratives mirror issues such as covert operations the erosion of democracy and governmental surveillance In turn the conspiratorial and underlying paranoid nature of these films serves as a reflection of societal anxieties and a metaphorization of the levers of power in America's modern day democracy Consequently this book serves as a contribution to the growing body of research on political cinema and the way it simultaneously reflects and shapes political life through its role as a sociocultural phenomenon In doing so it

invites readers to further delve into the exploration of these films which represent complex commentaries on the structures of corporations media and the military that are predominant in contemporary American society and cinema **History and Story in the American Political Thriller Film** Pablo Castrillo Maortua,2023-08-29 In this book Pablo Castrillo Maortua analyzes the emergence of the political thriller in Hollywood at a time of angst and turmoil in the United States The Cold War the nuclear age domestic and international scandals and an increasingly deceitful political culture catalyzed a filmmaking current that would gradually develop its own narrative form and aesthetics into a new genre Castrillo Maortua explores the dramatic identity and design of the American political thriller tracking the close correlation between the evolution of the genre and the history of the United States from the Cuban Missile Crisis to the 9 11 terrorist attacks and the ensuing War on Terror Ultimately the author demonstrates how the American political thriller defies Hollywood conventions and cultural presuppositions with an entertaining yet critical view of the state of politics Scholars of film studies screenwriting and genre theory will find this book of particular interest

Corporate Conspiracies Richard Belzer,David Wayne,2017-05-09 From New York Times bestselling authors Richard Belzer and David Wayne comes a hard look at the wrongs done to us all by big business in America Here is an explosive account of wrongful acts perpetrated and the ensuing cover ups inflicted upon us by American corporations The bestselling author team of Richard Belzer and David Wayne exposes the ways that the capitalist regime has got us under their thumbs from the mainstream media and its control over us to the trillions stolen by big banks and mortgage companies during the mortgage crisis to the scams perpetrated by Big Oil and Big Pharma The one common victim of all that corruption is the American public and Corporate Conspiracies wants to do something about it Corporate Conspiracies takes dead aim at those who take advantage of us little guys Probably most disturbing is the book s examination of politics and capitalism teaming up against us how politicians and lobbyists all have their hands in each other s pockets while stabbing us in the back and how the well established energy lobby which is petroleum natural gas and coal has played a dominant role in the shaping of US foreign policy for decades Did you know that companies at times know that their products will kill people but they do nothing because it is actually cheaper to compensate the victims than it is to correct the problem And did you know that the Pentagon is sending 1 5 trillion of our tax dollars to their corporate buddies for a new fighter jet that is already superfluous This book is guaranteed to make us all think twice about being enslaved and cheated by corporate America Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
