Keyword Research 2021: a Definitive Guide Brian Conwell,2020-07-20 Is getting a return on your investment of thousands of dollars per hour part of your plan You ve probably heard that the best place to hide a dead body is on the second page of Google It s an expensive joke by the world renowned SEO gurus but practically true In fact statistics have shown that less than 1% of internet users click results on the second page of Google In short If you rank on page two or beyond you re practically invisible That s why I have taken my time to create this comprehensive guide using practical examples and infographics to give an easy to understand overview of each topic Even if you re no techie expert by any stretch or a startup with no idea about SEO and needs to be spoon fed the information or you wish to save yourself some thousands of dollars hiring professionals then this is the book for you The wealth of ideas and solutions here include what I also learned from fellow insanely SEO experts like Neil Patel Seth Godin and Brian Dean to enable you to manage that business with finesse What Can I Learn In This Book The killer and easiest way to conduct SEO keyword research How to find keywords How to choose the right keywords How to analyze keywords based on searcher intent How to use popular keyword research tools at no cost Advanced keyword research tips Also I m going to show you the best free tools out there their features and what makes them stand out With this even if you re a startup individual or an established company the free tool ideas will help you improve targeting and review and improve the effectiveness of online campaigns at zero **Keyword Optimization** Aminao R. Huileng,2014-10-21 When you first set out on your journey to making money from the internet

there is no doubt an awful lot of stuff going on and market noise that is likely to do a lot more to confuse than help you This is a result of the fact that there are hundreds of marketers out there each of whom has their own ideas about the best way of making money online and everyone of them is more than happy to announce to the world just how good their ideas or their system are Most commonly of course they are selling that information hence the clamor of marketers who are all trying to announce how outstanding their idea or product is just that little bit louder than the next man or woman can shout about theirs Get more helpful info here
