Apostles and Prophets Opoku Onyinah, 2022-01-27 This book is an attempt to trace and find out the role of apostles and prophets in the Bible and then share these in a practical way to help the church of today It distinctively goes beyond the purview of the New Testament into the Old Testament and some ancient literature to bring out the wealth and depth of the subject and then makes a case for it Among others this book deals with the call of God the constitution and functions of a prophet and of an apostle Spiritual gifts the difference between apostles and prophets and how to test the manifestation of the Spirit One important issue which this book addresses is how the leadership of the church dropped from
