Dr Arnold G Fruchtenbaum:

Chosen Fruit L. Jesse Grace,2015 *Interpreting The Bible Literally* Fred DeRuvo,2009-04-02 Those who understand the Bible in literal terms are constantly accused of not understanding the Bible in literal terms Someone will point to the word all or this or that and charge that the Literalist does not take those words literally therefore they are not truly understanding the Bible in literal terms Is there any truth to this Does the Literalist strive to understand the literal meaning of the Bible and by doing so is he required to understand every word in its most literal sense The author sets out to show that within language while not all words phrases and verbiage are to be taken literally all meaning derived from those same words phrases and verbiage is to be taken literally It is the actual meaning that matters What s the difference Is the Literalist simply pulling the wool over everyone else s eyes in order to make the Bible say what they want it to say *Fighting for My Destiny How I Learned to Pray to Get What I Need* Maurine McFarlane,2020-08-27 This book is about my personal journey of rediscovering my faith and belief in God my willingness to let go of all my preconcieved ideas about God that was preventing me from fullfilling my destiny and my willingness to transform my mind to the mind of Christ *The Charismatic Movement and Gifts of the Spirit Under a Microscope* Don Polson,2017-03-02 There have been many books written on this topic but this book is sure to be different than any you have read before All who have read the manuscript said they gained new insights into these spiritualities The author takes a look at the modern charismatic movement from its start at Azusa Street and follows it to what it has grown into today His point is that to be a truth seeker you cant be afraid to take these issues head on He discusses the baptism in the Holy Spirit a totally different view on gifts true biblical empowerment strength through weakness the Paul model and thirty three things we receive the instant we become Christians The last and hardest chapter to write was the topic of the modern day tongues movement Is it biblical Is there a real and a counterfeit and how can it be tested based on the Bible **The Complete Reference Guide to Bible Prophecy** Ron Rhodes,2024-09-03 The Ultimate Bible Prophecy Resource In a world gripped by growing conflict and chaos it s hard to know where to turn for reliable guidance But God didn t leave us empty handed His gift of Bible prophecy offers hope for the future and purpose in the present The Complete Reference Guide to Bible Prophecy is your all in one resource for understanding Bible prophecy and the end times With his signature clarity and conversational tone Dr Ron Rhodes makes complex topics simple providing you with a composite survey of the end times from the rapture to eternity concise overviews of all the major prophetic viewpoints topics trends and commonly debated issues visual charts fast facts historical insights helpful quotes linguistic observations answers to FAQs and many other engaging features throughout every chapter This authoritative work is sure to become your go to prophecy guide for years to come Equipped with this invaluable resource you will become more inspired than ever in the hope wisdom and encouragement God provides through Bible prophecy The Books of Jeremiah and Lamentations Arnold G. Fruchtenbaum,2023-08-15 **Satan's Strategy to Curse Christ's Congregation** Andy Woods,Keith A.

Sherlin,2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem Defining Moments
