Hebner,2007 The financial services industry has a dark secret one that costs global investors about 2.5 trillion per year This secret quietly drains the investment portfolios and retirement accounts of almost every investor In 1900 French mathematician Louis Bachelier unsuspectingly revealed this disturbing fact to the world Since then hundreds of academic studies have supported Bachelier s findings This book offers overwhelming proof of this and shows investors how to obtain their optimal rate of

return by matching their risk capacity to an appropriate risk exposure A globally diversified portfolio of index funds is the optimal way to accomplish this Index Funds is the treatment of choice for wayward investors Below market returns in investment portfolios and pension accounts are the result of investors gambling with their hard earned money This 12 Step Program will put active investors on the road to recovery Each step is designed to bring investors closer to embracing a prudent and sound strategy of buying holding and rebalancing an index portfolio

The Only Guide to a Winning Investment Strategy You'll Ever Need Larry E. Swedroe,1998 The first book to show individual investors how to move from active to passive index funds and play a winner s gameThroughout the last fifteen years of the bull market individual investors were able to participate and amass financial holdings by way of mutual funds But the constant buying and selling to beat the market and grow their fund s wealth also entailed costs and capital gains And who paid for it The investor Over the past 20 years smart investors began switching to index mutual funds to keep more of their money Index funds buy and hold all of the stocks in an index dramatically reducing trading costs and taxes And now with Larry Swedroe s expert advice the small investor can take advantage of this investment strategy and win big In *The Only Guide to a Winning Investment Strategy You ll Ever Need* Larry Swedroe explains How index mutual funds out earn older investment strategies How to pick the right balanced passive portfolio that will reward investors with the highest expected return for the amount of risk the investor is willing to accept How to play the winner s game with this big and rapidly growing investor trend Based on over forty years of research by the world s leading financial economists the advice Larry Swedroe offers in this new and valuable book shows that those willing to move beyond conventional wisdom will open themselves to a method of great financial growth *The Only Guide to a W*
