Michaels, 2017-07-25 One woman fights for her family and her heart in this novel of redemption from the #1 New York Times bestselling author of the *Sisterhood* novels. Fern Michaels, New York Times bestselling author of *Finders Keepers*, dazzles readers once again with the unforgettable story of one woman's life: the betrayal that nearly destroys her, the love that helps her heal, and the struggle to find the truth about herself and the man she thought she knew. An only child who lost both parents during her first year at college, wealthy heiress Kristine Kelly had made her husband her whole world. But she didn't see what everyone else did: that handsome, charismatic Logan Kelly was a manipulator and a user. Then one cold December, Kristine got a chilling wake-up call when Logan vanished along with the eight million dollar trust fund she had naively given him the power to control. Just when Kristine's life was at its lowest point, banker Aaron Dunwoodie offered her passion, a strong shoulder to lean on, and a relationship to believe in. But a woman once fooled is twice wary and very vulnerable. There were still too many questions Kristine needed to answer before she could commit her heart again: what really happened to Logan, what did she truly want for herself, and what would she do if Logan, a dangerous, seductive, and yet irresistible man, walked back into her life. Praise for Fern Michaels: Prose so natural that it seems you are witnessing a story rather than reading about it. Los Angeles Sunday Times. She never disappoints. Michaels, 2016-12-27 The *Sisterhood*, a group of women from all walks of life bound by friendship and a quest for justice. Armed with vast resources, top-notch expertise, and a loyal network of allies around the globe, the *Sisterhood* will not rest until every wrong is made right. The women of the *Sisterhood* are united by their mission to help those unable to help themselves. But now they've encountered opponents who share a unique bond of their own. The law firm of Queen, King, Bishop, Rook, the Chessmen, has been a formidable force in Washington, D.C. for decades. And *Sisterhood* member Nikki Quinn's new case has made her their prime target. Nikki has agreed to represent Livinia Lambert as she files for divorce from her domineering, greedy husband, Wilson Buzz Lambert. Buzz, currently Speaker of the House, fears the scandal will scupper his presidential plans and intends to make life extremely difficult for Livinia with the Chessmen's help. The Chessmen may play dirty, but the *Sisterhood* plays smart. For too long the Chessmen have believed themselves above the law; they pretend to serve, but there's no statute of limitations on the *Sisterhood*'s particular brand of justice or their loyalty.
