

Dreams of Desire Episode 1-12 Walkthrough

Day 1

- Warn Marcus about Mrs Turner listening or stay silent & Party Invite
- If choosing to warn Marcus, you get **+1 Trust** with him. Trust with Marcus will play a big role in later episodes. You should have trust, he is your best friend after all, right?
- Choosing to stay silent will get Mrs Turner a few different dialogue lines, and it's hilarious.
- You can also choose between going to Marcus' weekend party. You get to revisit this decision in a future episode, but it's not without consequences.
- Peek or don't peek
- Peeking will result in a scene where you peek on Mrs Turner, and present a series of other choices.
- If you choose you don't want to peek, you don't get the peeking scene (obviously) and you can't get enough lust points until Day 2 to choose the Revealing Outfit.
- Choices while peeking
- You can stop anytime, which will result in not getting caught, but you won't have enough lust points by Day 2 to choose the Revealing Outfit. However, if you did not get caught by Mrs Turner, it will have an impact in later episodes.
- Watching till the end means you get caught. If you chose to masturbate and Mrs Turner catches you, it's game over. (Pretty obvious, right?) If you chose not to masturbate, and you get caught, you can talk your way out of it, and you get **+2 Lust** points with Mrs Turner, and get additional dialogue throughout the episode.
- Choices at the first night scene
- You can choose whichever you like, but the game takes note of what you pick in the end. You won't see the impact of it this episode, but specific content will be available in future episodes depending on night scene choices. (e.g. you always choose feet, you will have more of that content available and specific actions for that category later) You will automatically be awarded **+2 Lust** points for any choice.
