### Getting Started

Initial chapters focus on using the free version of the tool explaining what ChatGPT can and cannot do and detailing the creation of effective prompts Key rules for successful prompts include being clear about the task providing context giving format instructions and iteratively checking and improving the AI s output

### Income Streams and Workflows

The majority of the guide outlines multiple low barrier income streams providing step by step workflows tools primarily ChatGPT Canva Google Docs and example prompts for each

### Freelancing

Writing Offering services on platforms like Fiverr and Upwork such as writing blog posts crafting product descriptions or producing outlines and content for ebooks

### Digital Products

Passive Income Creating and selling simple digital goods like low content books journals planners templates resumes and mini guides using AI to speed up the creation process

### Specialized Services

Providing research and report summarization generating social media content captions video scripts creating customer support materials FAQs email templates or packaging personal expertise into online micro courses

### The 30 Day Plan

The book culminates in a structured 30 Day AI Income Plan 888 This plan guides the beginner through four phases

- Week 1 Learn Master the basics of ChatGPT and supporting tools
- Week 2 Create Samples Build a small portfolio of work samples and micro products
- Week 3 Publish Create professional profiles on freelance or digital product platforms Fiverr Etsy
