

Cambridge CELTA Pre-Interview Task

Name: **Pablo Chuquin**

Complete this task carefully. It is an important factor in considering your application. CELTA is an intensive course of study. Because of this, candidates need to be fully prepared for the demands of the course and **show that they are able to research language structures, a skill required of ESL teachers**. Keep in mind that we cover language analysis on the CELTA course, so we do not expect you to be an expert in grammar before the course starts.

- To help you may refer to a grammar book such as "Practical English Usage" by Michael Swan (Oxford University Press) or any other grammar reference book you might have at home or find in the library/book store.
- The internet is also a great source of information. If you're looking for a site, try:
<http://usa.about.com/d/englishteachers/English>

Please make sure you read the directions for each section and proofread your work carefully. The CELTA course requires a high level of written English. When you have finished, please send it to info@reacttothecourse.com. Retain a copy of this task for your interview.

Part one: Language awareness

A. Error correction

Each of the exchanges below contains a mistake. In each case:

- write the corrected version in the space provided
- clarify your correction in simple English to explain the mistake

Example

Mr. Smith: "Do you have much experience in the restaurant business?"
Giorgio: "Yes, I've been working as a chef since 10 years."

- I've been working as a chef ~~for~~ ten years.
- We use 'since' before a point in time - for example, since Tuesday, since 1992, since 5 o'clock. We use for before a period of time - for example, for two weeks, for six years, for ten minutes. In this case '10 years' is a period of time, so we need 'for'.

1.

Marta: "I'd like some informations about your courses."
Receptionist: "Certainly, here's our brochure."

- I'd like some ~~information~~ about your courses.
- Uncountable nouns cannot be made plural. Information is an uncountable noun, so you can't add an "-s".

2.

Jack: "How do you get to the CELTA center every day?"
Pierre: "I'm walking and then taking the subway."

- I walk and then take the subway.
- Use the present simple "I walk" when you talk about routines. Use the present continuous "I'm walking" when talking about actions that are happening right now or around now.

3.

John: "Did you see the movie on HBO last night?"
Helene: "Yes I did, it was so a good movie."
John: "Yeah, I think Tom Cruise is such a good actor."
(Comment on the difference between so and such.)

- It was such a good movie or the movie was so good.
- We use "so" plus an adjective (The movie was so good). We use "such" plus a noun phrase (He is such a good actor.)

4.

Carl: "Can you borrow me \$10?"
William: "Sure. Here you are."

- Can you lend me \$10?
- You borrow something. You lend someone something. "Lend" takes an indirect object, while "borrow" doesn't.
