Bali Raw:

Bali Raw Malcolm Scott,2012-05-01 Considered one of the world's most popular holiday destinations the tropical island of Bali in Indonesia has long been the site for Western fantasies about paradise Millions of tourists visit the Island of the Gods every year from families treating the kids to a beach holiday to single men looking for cheap booze and sex And for many young Westerners and Singaporeans hardcore partying in Bali has become a rite of passage but it is not without pitfalls Bali is a rough place as dangerous a place as you will ever encounter What you don't see in the glossy brochures is the rampant prostitution the prevalence of AIDS the bloody turf wars waged between local gangs and the drug and alcohol induced Western hooliganism Tourists are robbed raped and murdered and Westerners get into vicious fights amongst themselves and with Indonesians on a regular basis In this extraordinary expos Australian author and Bali resident Malcolm Scott reveals the raw underbelly of Bali He walks readers down Bali's mean streets with honesty humour and gritty realism and offers up a Bali choking with violent street fights cheap sex and aggressive crime Bali Raw is a must read for anyone who has visited or is thinking of travelling to Indonesia's Island of the Gods

Bali Max Nabati,2012-12-25 In 2012 a solo traveler from Perth landed in Bali with a simple plan to see the entire island from top to bottom His key was a rented 150cc scooter acquired in the first humid hour and surrendered only on the last night What followed was a twenty day odyssey into the heart of a deeply dualistic paradise This is the raw unfiltered account of that journey Experience the raw Bali the gut churning rumble of a 6.6 earthquake the shocking flash of a ritual cockfight at a wedding and the serene majesty of mist wrapped volcanoes and cloth draped spirit trees Feel the cooked Bali the curated sunsets the lead weighted stroll on the seabed the whispered happy ending offers in massage parlors and the ritual sip of infamous Kopi Luwak But this is more than a travelogue It is a story of consumption and transformation It delves into the profound spiritual architecture of Balinese Hinduism that animates every offering and ceremony It confesses the palpable daily paranoia of checking bags for planted drugs under the shadow of Indonesia's death penalty It recounts a harrowing dark lane assault with dark humor and resilience From the sunburn etched by endless rides to the genuine warmth found in local warungs Bali Raw Cooked Consumed is a visceral honest and culturally immersive portrait It captures a specific moment in Bali's evolution exploring the razor's edge between sacred tradition and predatory commerce and what it truly costs to consume an island and be consumed by it
