Basic Concepts In Monitoring And Evaluation Pdf Psc:

Evaluation Management in South Africa and Africa Fanie Cloete, Babette Rabie, Christo De Coning, 2014-12-01 This blind peer reviewed book systematically records analyses and assesses for the first time in a single volume the implications of the global development and management of professional evaluation for the African continent The book deals with the most strategic contemporary evaluation themes Each of these themes contains discussions of theoretical issues illustrated with one or more short case studies while selected longer case studies and other relevant documentation are also taken up in annexures at the end of the book The book therefore comprises a guide to best M E practices for purposes of systematic policy programme and project evaluations It is suitable for both professional M E institutionalisation and capacity building projects as well as for evaluation information dissemination and education at different levels in the public private and voluntary sectors in society especially in a developmental context

Democratic Evaluation and Democracy Donna Podems, 2017-02-23 This book explores democratic evaluation's role in strengthening social justice focusing on its application in South Africa It provides insights into national and local government and civil society experiences with evaluation The book concludes with a teaching case and guiding questions for reflection and learning

AU, NEPAD and the APRM Charles Manga Fombad, Zein Kebonang, 2006 The African Union AU and The New Partnership for Africa's Development NEPAD reflect a hitherto unprecedented collective political effort by African governments to address issues of democracy and good governance on a continental scale The visible commitments are reflected in the adoption of a variety of programmatic blueprints and a series of newly created or recently strengthened institutions Most visibly since the integration of NEPAD into the AU the African Peer Review Mechanism APRM has started a process to address some of the obstacles on the basis of a voluntary assessment of African government policies The contributions to this publication trace the recent developments from a policy perspective and explore the scope and limit of the current democratization efforts They present an interim prognosis on the extent to which the visible new dynamics actually give realistic hope for achieving sustainable changes in terms of the declared goals This publication is useful for political scientists policymakers and other professionals dealing with Africa in development assistance

International Aerospace Abstracts, 1999 *S + F*, 2007 Essentials of Monitoring and Evaluation 'Yemi Adeyemi-Enilari, 2023-07-03 Monitoring and Evaluation ideas are not new everyone applies Monitoring and Evaluation practices and principles to some extent in their personal work and home lives even in many of our domestic chores like cooking people are unknowingly applying the principles of Monitoring and Evaluation However we are currently witnessing an increase in the amount of systematic attention and study being applied to the field of Monitoring and Evaluation M E everywhere This is a very interesting and exciting development as the practice of Monitoring Evaluation can contribute to sound governance in and within an organisation and the society community and nation in several ways improved evidence based policy making including but not limited to budgeting and decision making policy development

management and accountability Many governments around the world have realised much of this potential including most first world countries and a small but growing number of developing countries The objectives of this handbook are threefold Firstly basic Monitoring and Evaluation terms and concepts will be explained and discussed This is to help you apply these terms to your work and generally to other spheres of endeavour Secondly this handbook will provide you with the knowledge and skills that you can use in managing interventions within whatever sector you operate or and may want to operate in and within Finally this handbook will relate generic Monitoring and Evaluation concepts to some known familiar sectors specifically As a consultant to the Government parastatals local state and federal as well as to some International Organisations including some United Nations Agencies World Bank and USAID sponsored projects and programmes on various aspects and sectors examples will be drawn from those experiences
