Messersmith, Nathalie Vega-Rhodes, Robert S. Feldman, 2020-01-08 The 5th edition of Beginning and Intermediate Algebra by Sherri Messersmith and Nathalie Vega Rhodes represents the most evolved version of the P O W E R series textbooks yet To

each chapter we have added a new Get Ready chapter opener that contains prerequisite corequisite lessons with exercises to prepare students to learn the concepts coming up in the chapter Also new to this edition are the two academic mindset topics

of developing a growth mindset and developing grit The power no pun intended of the Internet is that it allows us to enhance

the learning and teaching experience for students and instructors We can do things that we couldn't dream of even 10 years

ago That's where Nathalie Vega Rhodes comes in A long time P O W E R math textbook user and outstanding instructor

Nathalie has a lot of experience using digital tools Better yet she and Sherri have the same philosophy of teaching love for

students and belief in addressing all of their students needs in the classroom What makes P O W E R a unique tool for the

classroom A major challenge in developmental courses is that students at this level struggle with basic study skills and habits

Maybe this is one of their first college courses or perhaps they are adults returning to school after a long absence Either way

many of the individuals taking this course don't know how to be good students Instructors often don't have the time the

resources or the expertise to teach success skills AND the math concepts The P O W E R Learning Framework was developed

by successful author psychologist student success instructor and researcher Bob Feldman It is a method of accomplishing

any task using five simple and consistent steps Prepare Organize Work Evaluate Rethink The P O W E R framework that

Math instructors have come to know and love is at the core of each section and new study strategies and exercises have been

integrated with every chapter better help students successfully learn math concepts while at the same time developing habits that will serve them well throughout their college careers and in their daily lives The conversational writing style practical applications innovative student resources and expanded available in ALEKS makes this an appealing and very teachable option for faculty
