The image shows a screenshot of an AI-powered writing assistant interface. At the top, there's a header with a globe icon and the text "AI Writing Co.". Below this is a text input area containing the question: "What is the difference between a home's appraised and market value?". The assistant's response is displayed in a white box with a light blue border, containing the following text: "Market value is the price that the average buyer is willing to pay for a property and is a subjective number. Appraised value refers to the objective value of a home assigned by a licensed appraiser. These numbers should be similar, but if not, you can contest. Appraised value is a measure of market for a second opinion". Surrounding the text editor are several filter buttons with icons and labels: "Funny", "No filter", "Shocking", "Cathy", "Balanced", "Engaging", "Inspirational", "Practical", and "Assertive". The "Inspirational" button is highlighted with a blue background.
