Sample Exam Questions: ISTQB Certified Tester Foundation Level , [A Study Guide to the ISTQB® Foundation Level 2018 Syllabus](#) Adam Roman,2018-11-02 This book is an excellent helpful and up to date resource for all candidates preparing for the ISTQB Foundation Level certification exam based on the new Foundation Level 2018 Syllabus Although there are plenty of sample questions and information related to the Foundation Level exam on the web there are two problems with these Firstly most of them will soon be outdated as the old syllabus and exams are going to be retracted in June 2019 Secondly much of what is available is of poor quality since many of the sample questions do not follow the strict ISTQB examination rules This book stands out from other ISTQB related works through a number of special features

Topicality The material complies with the latest version of the Foundation Level syllabus published in 2018 **Quality and originality** The exam questions are original not redundant of high quality fully aligned with the ISTQB exam requirements and have not been published before **Huge amount of material** It includes 5 full sample exams 200 questions in total designed in accordance with the ISTQB exam rules and with the appropriate distribution of questions regarding the learning objectives and K levels **Well thought out sample questions** The questions not only appropriately cover the corresponding learning objectives LOs but also to show the typical pitfalls **Diversity** The questions from various sample exams related to the same LO are diversified that is each of them points out different aspects of a given LO This is an excellent method for better and more effective learning and preparing for the exam **Comprehensive intelligible explanations** All answers are justified and there are detailed and easy to understand explanations not only of why a given answer is correct but also why all the others are wrong **A lot of bonus material** The book includes a great bonus pack chapters that explain the white box and black box test

techniques in a detailed way a set of exercises on test techniques and the detailed solutions to them and much more
