Magic Without Mirrors David Conway,2011-09 There is nothing of the phoney or the exhibitionist about David Conway He is not merely a magician but a genuine mystic an intensely private person who is absorbed in what Blake called the inner worlds and their mystery David Conway was brought up in a remote country district of Wales When he was four he was taken to see a local farmer Mr James who remained his chief mentor introducing him to the basic principles of magic Someone should persuade him to write about his apprenticeship from the hints he has dropped I suspect it would be as fascinating as Carlos Castaneda s accounts of Don Juan as well as being rather more truthful Colin Wilson in his Introduction to David Conway s Magic an occult primer 1988 *The Dictionary of Magic & Mystery* Melusine Draco,2012-05-25 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism it is a jumping off point for further research Here the reader will find the ancient and modern interpretation for magical and mystical terms together with explanations for the differences between the varied and often conflicting approaches to magic *The Witches' Almanac 2022-2023 Standard Edition Issue 41* Theitic,2021-11-01 The Witches Almanac is a sophisticated publication appealing to general readers as well as hardcore Wiccans Founded in 1971 by Elizabeth Pepper the art director of Gourmet magazine for many years The Witches Almanac is a witty literate and sophisticated publication that appeals to all those devoted to the Craft At one level it is a pop reference that will fascinate
