With over 500 million blogs in existence today, churning over 3 million blog posts every single day, it means that the potential to make money as a blog writer is limitless if you have a knack for writing. Think about it: the owners of the over 500 million blogs don't have the time and skill to consistently update their blogs with fresh content every day, week, or month. So if you have the time and the skill, you can be that guy that keeps the blog owners happy by offering to write fresh content to the respective blogs to keep the blog's audience entertained and educated on different topics relating to these blogs. But where do you even start? Where do you find blog owners and blog writing agencies that are willing to pay you for your blog writing skill? How can you enhance your blog writing skill to a level where you are so confident with your skill that you would be confident charging people money for your services? What do you need to learn so that you can give your clients a complete one-stop service? Can you start writing blogs for pay even if you are a complete beginner and have never been paid to write before? If you have these and other related questions, this book is for you, so keep reading as it covers the ins and outs of writing blogs for pay, how to find great, well-paying clients that refer you to their friends, and everything in between. More precisely, this book will teach you the basics of blogging, including what a blog is, why it is popular, the potential that having a blog presents, who a blog writer is, and more.
